WEEKLY DUTY

Today, I was on duty. I was given the task to watch the students at Laman An Nur (Surau terbuka lelaki) at 12:40pm until 1:25pm. My duty was to control student's discipline, making sure they do not make too much noise as students from morning session are still having classes. Only afternoon students are praying Zohor. I had the same task when the school period ends at 6:30pm, I need to watch remaining students who are staying back to pray Asar until 6:40pm.

MEETING PENATARAN PENDIDIKAN SENI VISUAL

Today, during the mid day, the art committees had a meeting 'penataran', as i mentioned in the previous blog, this meeting is to review student's answers and exam paper. As for art exam, we reviewed their drawings whether they meet the requirements needed by the exam questions. We discussed on the marking schemes, how to give marks for each papers. As for me, I took over Cikgu Shuhaida's class, therefore she asked me to help mark the student's objective questions only.

CERAMAH AWAL MUHARRAM

After the meeting with the Art Committee, the school had a talk about Awal Muharram arranged by the Pengajian Islam Committees. The talk was given by Ustaz Idzhar Jumali and he was talking about about Awal Muharram and Maulidur Rasul for the student's general knowledge. The talk started from 2pm until 3.30pm. Both of my classes was postponed due to students have to attend this talk at Dewan Seri Melawati.

**THAT'S ALL FOR
WEEK 3!**

SWOT ANALYSIS

Strengths

Couldn't manage the students well during my duty as there was both sessions and it became a hassle

S

Able to conduct my duty on time and follow the instructions given by senior teachers

Weakness

Opportunities

I realized that I need to be more strict with the students because some of them have no respect at all when I am too kind they tend to go overboard.

W**O****T**

Able to participate in the school official meeting and got to know the school system through the meeting that was briefed by the school principal, Sir Jagdave.
