WEEK 2!!**

SWOT ANALYSIS

STRENGTHS

Able to collect and send back exam papers to the examination room and able to explain every instructions to students for each of the exam papers.

WEAKNESSES

Still adapting the time for collecting the paper and sending back the exam papers as the school has a different time schedule everyday and for both form 1 and form 2.

OPPORTUNITIES

Had the chance to mark some of the exam papers which was given by my mentor and participate in meetings for reviewing students answers for the exam paper.

THREATS

While sending back the exam papers at the examination room, I accidentally signed on the wrong slot and time and I didn't realise that it could lead to a big problem.
